

MSPPC 2020

17-18 Nov 2020
Webinar

"Emerging Trends of Plant Physiology
in Changing Environment"

30th Malaysian Society of Plant Physiology Conference

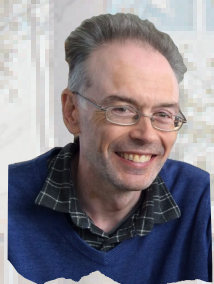

Scopes of the Conference

- Ecophysiology and stress biology
- Biostimulants and biofertilisers
- Pest and disease management
- Postharvest technology and quality control
- Biotechnology, nanobiotechnology and genome editing
- Innovative practices in plant science
- Seed technology and high quality planting materials
- Modelling and simulation in precision farming
- Plant cryopreservation
- Macro- and microclimate change and impact
- Plant-soil-microbe relation
- Food safety and security

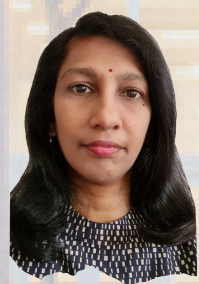

Speakers

Keynote:
Dr. Elizabeth Philip
Ministry of Energy & Natural Resources,
Malaysia

Plenary:
Prof. Ian Dodd
University of Lancaster, United Kingdom

Plenary:
Prof. Uma Rani Sinniah
Universiti Putra Malaysia

Plenary:
Prof. Aziz Ahmad
Universiti Malaysia Terengganu

Registration Fees

Member ----- RM 200
Non Member ----- RM 300
Local Student ----- RM 100
Exhibitor ----- RM 900

Payment by LO/cheque/online banking:
CIMB Bank Berhad
Account No: 8002159957
(Persatuan Fisiologi Tumbuhan Malaysia)

Secretariat & Registration:
Dr. Mohd Hakiman Mansor

016-222 1070

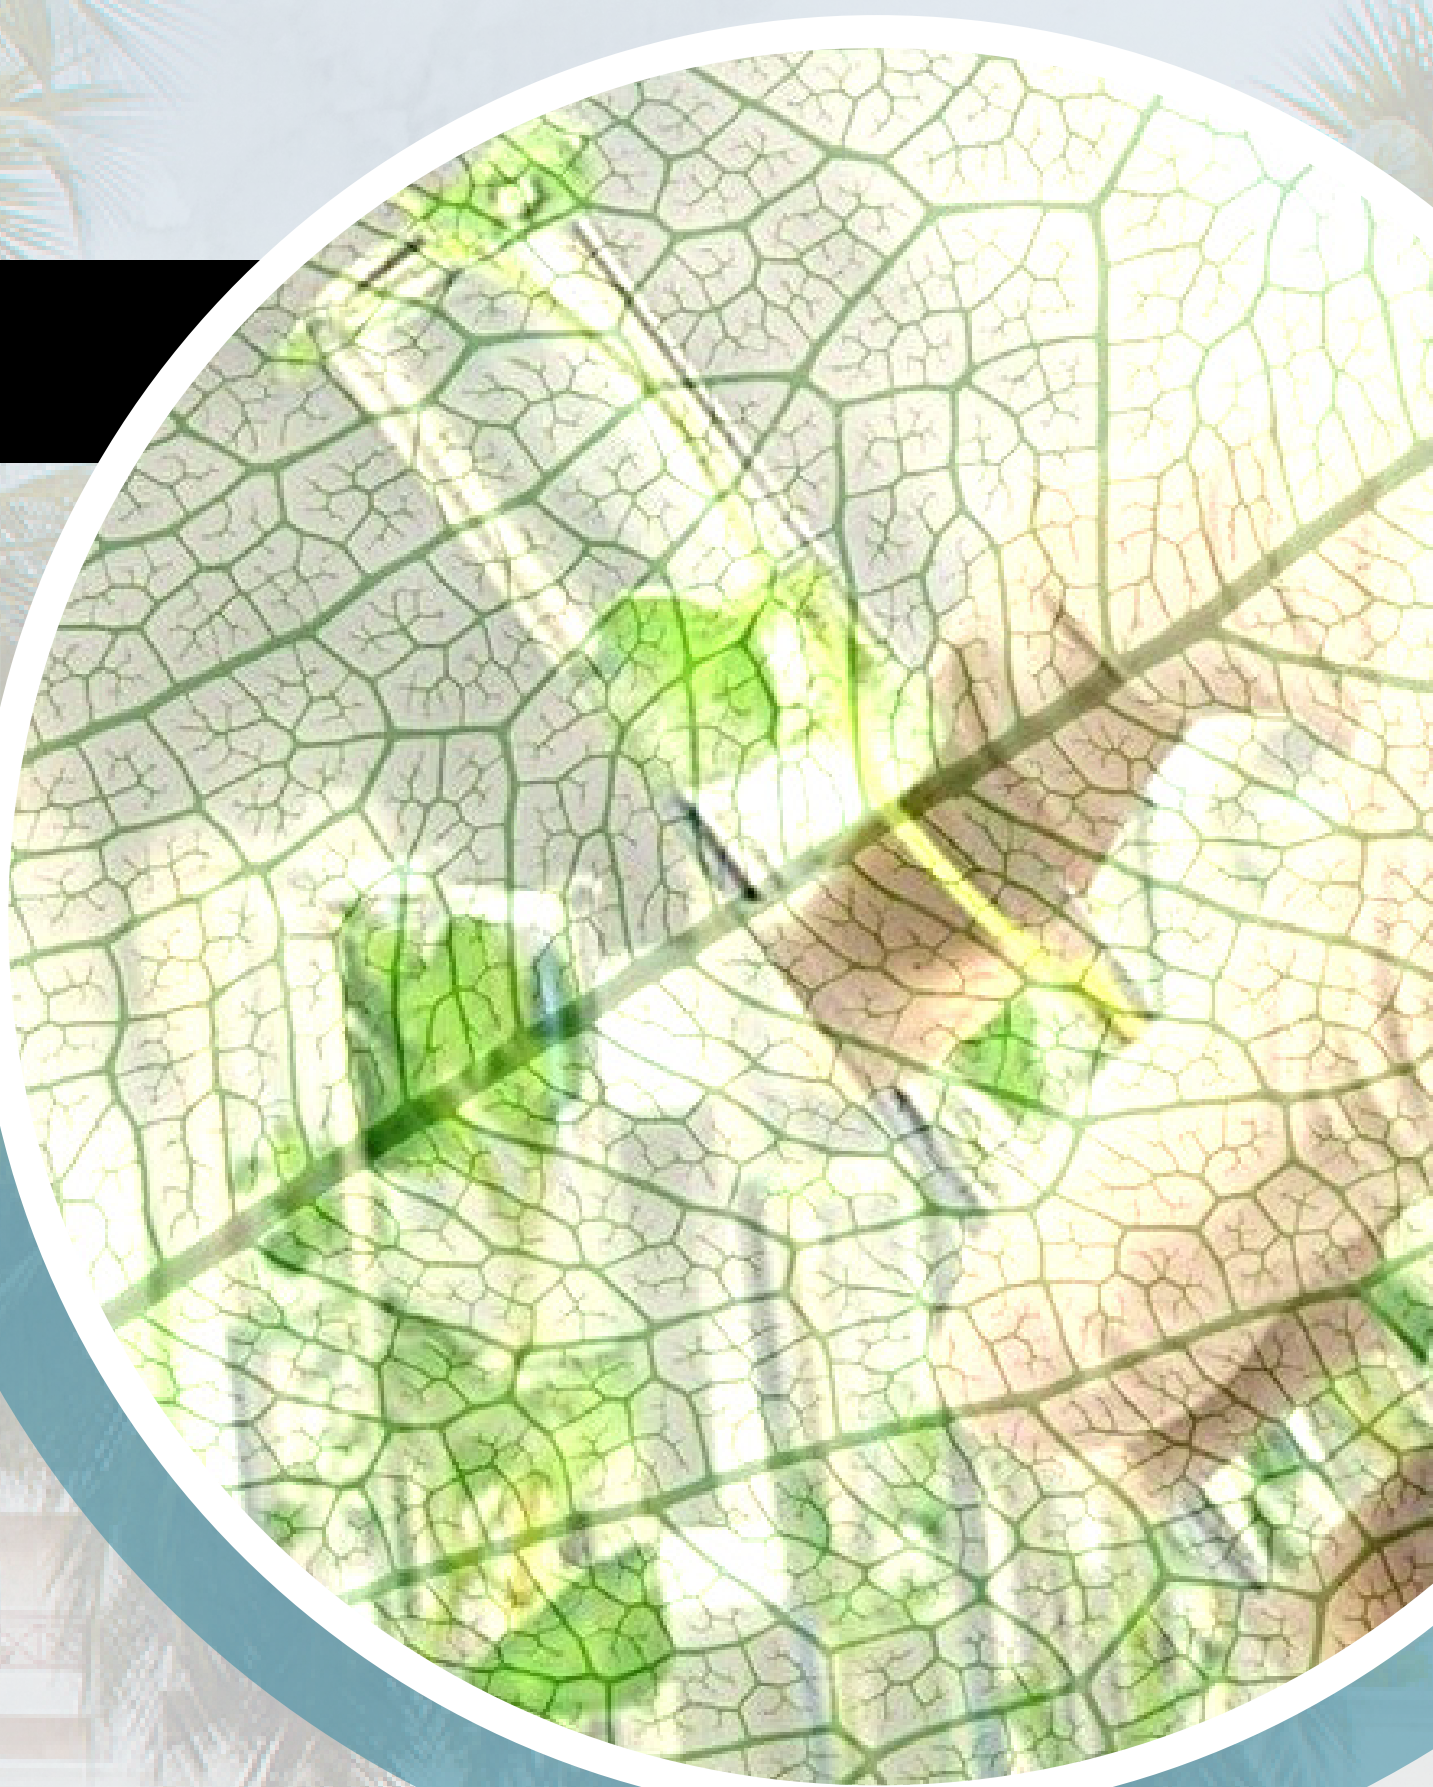

msppconference@gmail.com

**Abstract & Extended Abstract
Submission:**

Dr. Nor Mayati Che Husin

msppconference@gmail.com /
maya39ch@gmail.com

THE MSPPC 2020 IMPORTANT DEADLINE

REGISTRATION

OCT
30

Friday
11:00pm

ABSTRACT SUBMISSION

OCT
30

Friday
11:00pm

Late abstract submission
will not be included in the
programme book

EXTENDED ABSTRACT SUBMISSION

NOV
10

Tuesday
11:00pm

Selected papers will be
invited to be published in
Journal of Tropical Plant
Physiology (indexed in
MyCite and CAB Abstracts)
